§ 404.1018b Medicare qualified government employment.

(a) *General.* The work of a Federal, State, or local government employee not otherwise subject to Social Security coverage may constitute Medicare qualified government employment. Medicare qualified government employment means any service which in all ways meets the definition of "employment" for title II purposes of the Social Security Act, except for the fact that the service was performed by a Federal, State or local government employee. This employment is used solely in determining eligibility for protection under part A of title XVIII of the Social Security Act (Hospital Insurance) and for coverage under the Medicare program for end-stage renal disease.

We will publish this adjustment of the \$1,000 base amount in the FEDERAL REGISTER on or before November 1 preceding the year for which the adjustment is made.
